If you are a holder of Warrants and have not yet received written communication from the Company, please contact the Company at guyn@waterwt.com for further instructions.

About Water Ways Technologies

Water Ways Technologies Inc., through its subsidiaries, is a global provider of Israeli-based agriculture technology, providing water irrigation solutions to agricultural producers. Water Ways Technologies competes in the global irrigation water systems market with a focus on developing solutions with commercial applications in the micro and precision irrigation segments of the overall market. At present, Water Ways Technologies' main revenue streams are derived from the following business units: (i) Projects Business Unit; and (ii) Component and Equipment Sales Unit. Water Ways Technologies is capitalizing on the opportunities presented by micro and smart irrigation, while also making a positive mark on society by making these technologies more widely available, especially in developing markets such as Africa and Latin America and developed markets such as China and Canada. Water Ways Technologies irrigation projects include vineyards, Cotton fields, Apple and Orange orchards, Blueberries, Medical Cannabis, fresh produce cooling rooms and more, in over 15 countries.
