

WATER WAYS ENGAGES QUESTRADE AS MARKET MAKER

NOT FOR DISTRIBUTION TO U.S. NEWSWIRE SERVICES OR DISSEMINATION IN THE UNITED STATES

Toronto, October 11th, 2019 – Water Ways Technologies Inc. (Water Ways) (TSXV: WWT) announces that it has engaged the services of Questrade, Inc. ("Questrade") to provide services as a market maker at a fee of up to \$4,500 per month for a period of one year. No stock options are being granted in connection with the engagement.

Questrade, Inc., provides Canadians with high-speed, direct access trading in the U.S. and Canadian stock and options markets through its IQ trading platforms. Questrade offers market making services on behalf of TSX, TSX Venture Exchange, and Canadian Securities Exchange listed companies, providing liquidity on the stock exchanges for shareholders.

Questrade is arm's length to the Company. Questrade's market making activity will be primarily to correct temporary imbalances in the supply and demand of the Company's shares. Questrade will be responsible for the costs it incurs in buying and selling the Company's shares, and no third party will be providing funds or securities for the market making activities.

About Water Ways Technologies

Water Ways is the parent company of Irri-Al-Tal ("IAT") which is an Israeli based agriculture technology company that specializes in providing water irrigation solutions to agricultural producers. IAT competes in the global irrigation water systems market with a focus on developing solutions with commercial applications in the micro and precision irrigation segments of the overall market. At present, IAT's main revenue streams are derived from the following business units: (i) Projects Business Unit; and (ii) Component and Equipment Sales Unit. IAT was founded in 2003 by Mr. Ohad Haber with a view of capitalizing on the opportunities presented by micro and smart irrigation, while also making a positive mark on society by making these technologies more widely available, especially in developing markets such as Africa and Latin America. IAT's past projects include vineyards, water reservoirs, fish farms, fresh produce cooling rooms and more, in over 15 countries.
