MANAGEMENT INFORMATION CIRCULAR

ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS TO BE HELD ON NOVEMBER 16, 2020

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by management of the Company (“Management”) for use at the annual and special meeting of holders (collectively, the “Shareholders” or individually, a “Shareholder”) in the capital of the Company (“Common Shares”) to be held at the offices of Branson Corporate Services Ltd., 77 King Street West, Suite 2905, Toronto-Dominion Centre, Toronto, Ontario on **Monday, November 16, 2020, at 10:00 a.m. (Toronto time) and for the purposes set forth below.** Except to the extent otherwise stated herein, all information set forth herein is given as of the date hereof, and all dollar amounts set forth herein are stated in Canadian dollars. Information set forth herein as to shareholdings is based upon information supplied by the respective persons holding such Common Shares.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may also be solicited personally or by telephone by directors, officers and regular employees of the Company. The cost of solicitation will be borne by the Company except for the cost of postage required to return the forms of proxy which will be borne by the individual Shareholders.

In accordance with NI 54-101, arrangements have been made with intermediaries or their nominees (collectively, the “**Intermediaries**”) to forward proxy-related materials to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered Registered Retirement Savings Plans, Registered Retirement Income Funds, Registered Education Savings Plans and similar plans. Intermediaries are required to forward such proxy-related materials to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Company has elected not to pay for the delivery of the proxy-related materials to Objecting Beneficial Shareholders (as defined below) by the Intermediaries. As such, Objecting Beneficial Shareholders will not receive the proxy-related materials unless the Intermediaries assume the cost of delivery. The Company is sending the proxy-related materials directly to Non-Objecting Beneficial Shareholders (as defined below), through the services of its transfer agent and registrar, Computershare Trust Company of Canada (“**Computershare Trust**”). The Corporation is not relying on the notice-and-access provisions of securities laws for delivery of the proxy-related materials to Shareholders.

Appointment of Proxies

The individuals named in the form of proxy are officers and/or directors of the Company. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend the Meeting and act for such Shareholder on his, her or its behalf other than the persons designated in the enclosed form of proxy. Such right may be exercised by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy.** In either case, a Shareholder may vote its Common Shares by proxy as follows: (a) by mail or delivery to, or deposited at, the offices of Computershare Trust at: 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, on behalf of the Company; (b) by fax at: (416) 595-9593; or (c) on the internet by accessing the web site address specified on the form of proxy or voting instruction form (if applicable) and by following the online voting instructions. Voting instructions must be received by no later than 10:00 a.m. (Toronto time) on Friday, November 12, 2020, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used.

Revocability of Proxy

A Shareholder giving a proxy has the power to revoke it. Proxies given by a Shareholder for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a Company, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - a. at the office of Computershare Trust, on behalf of the Company, at any time up to and including 10:00 a.m. (Toronto time) on Thursday, November 12, 2020, or if the Meeting is adjourned, at the latest 48 hours (excluding Saturdays, Sundays and holidays) before the time set for any reconvened meeting at which the proxy is to be used; or
 - b. with the chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
- (b) in any other manner permitted by law.

Exercise of Discretion by Proxy

On any ballot that may be called for at the Meeting, the Common Shares represented by such form of proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder appearing on such form of proxy, and, if a choice is specified therein in respect of any matter to be acted upon, will be voted in accordance with the specification made. In the absence of such specification, such Common Shares will be voted FOR such matter.

The form of proxy confers discretionary authority upon the person acting as proxy thereunder with respect to amendments or variations to matters identified below and with respect to other matters which may properly come before the Meeting. As at the date hereof, Management knows of no such amendments, variations or any other matters, which may properly come before the Meeting.

Voting by Beneficial Shareholders

Only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares or duly appointed proxyholders can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (the "**Beneficial Shareholders**"). If Common Shares are listed in an account statement provided to a Beneficial Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Beneficial Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Beneficial Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Company to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instructions forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot

use that form to vote Common Shares directly at the Meeting - the form must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.

All references to Shareholders in this Circular are to Shareholders of record unless specifically stated otherwise.

Note to Non-Objecting Beneficial Shareholders

The proxy-related materials are being sent to both registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being made known to the issuers of securities which they own (the “**Objecting Beneficial Shareholders**”) and those who do not object to their identity being made known to the issuers of the securities they own (the “**Non-Objecting Beneficial Shareholders**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their Non-Objecting Beneficial Shareholders from Intermediaries via their transfer agent in order to distribute proxy-related materials directly to such Non-Objecting Beneficial Shareholders.

The Company or its agent has sent the proxy related materials directly to Non-Objecting Beneficial Shareholders. Such Beneficial Shareholders’ names addresses and information about their holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding such information on their behalf. By choosing to send proxy-related materials directly to the Non-Objecting Beneficial Shareholders, the Company (and not the Intermediary holding the information on their behalf) has assumed responsibility for (i) the delivery of the proxy-related materials, and (ii) the execution of proper voting instructions as specified in the request for voting instructions.

Voting Securities and Principal Holders Thereof

The Company has fixed the close of business on October 9, 2020, as the record date (the “**Record Date**”) for the purposes of determining Shareholders entitled to receive notice of the Meeting and vote at the Meeting. Shareholders of record at the close of business on the Record Date will be entitled to vote in person or by proxy at the Meeting or at any adjournment or postponement thereof (subject in the case of voting by proxy to the timely deposit of a properly completed, signed and dated proxy with Computershare as specified herein and in the notice of Meeting).

The authorized capital of the Company consists of an unlimited number of Common Shares, of which 89,589,222 are issued and outstanding as at the Record Date. Each Common Share carries the right to one vote per Common Share. No other voting securities are issued and outstanding as of the Record Date. The quorum required for the Meeting is two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued Common Shares entitled to be voted at the Meeting.

Except as set forth below, to the knowledge of Management and the directors, as at the date hereof, no person beneficially owns, directly or indirectly, or exercises control or direction over, more than ten percent (10%) of the issued and outstanding Common Shares:

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT (EXCEPT THOSE PROXIES REPRESENTING SHARES BENEFICIALLY OWNED BY INTERESTED PARTIES) WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO APPROVE THE REPRICING IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM.

7. Approval of the Restricted Share Unit Plan

At the Meeting, Shareholders will be asked to consider and, if deemed appropriate, to approve, with or without variation, a resolution authorizing and approving the adoption of a “fixed number” restricted share unit plan (the “**RSU Plan**”), meaning that the number of Common Shares issuable under the RSU Plan may not exceed a certain threshold (being 10% of the issued and outstanding shares as of the Record Date), regardless of any changes in the number of Common Shares that may, from time to time, be issued and outstanding. Under the policies of the Exchange, such a plan must be approved as at the date of implementation of the RSU Plan.

The RSU Plan was approved by the Board on October 9, 2020. The RSU Plan allows the Company to grant restricted share units (each, a “**RSU**” and collectively, the “**RSUs**”), each of which is a unit that is equivalent in value to a Common Share and that upon vesting results in the holder thereof being issued, at the discretion of the Board, either (i) a Common Share, or (ii) an amount of cash equal to the Fair Market Value of a Common Share. For the purpose of this section, terms not defined herein shall have the meaning attributed to them in the RSU Plan, the full text of which is attached to this Information Circular as Schedule “B”.

The purpose of the RSU Plan is to advance the interests of the Company by (i) providing Eligible Persons (as defined below) with incentives; (ii) rewarding performance by Participants (as defined below); (iii) increasing the proprietary interest of

Participants in the success of the Company; (iv) encouraging Participants to remain with the Company or its Affiliates; (v) attracting new directors, employees, officers and Consultants; and; (vi) aligning the interests of the Participants with those of the Shareholders.

“**Eligible Person**” means, for the purpose of the RSU Plan, any director, officer, employee or Consultant of the Company or any of its affiliates and any such person’s personal holding company, as designated by the Board in a resolution.

“**Participant**” means, for the purpose of the RSU Plan, an Eligible Person to whom a RSU has been granted.

The Board believes that RSUs increase the proprietary interest of Participants in the success of the Company by allowing the Board to establish measurable objectives for Participants, and/or the Company or Affiliate, which, upon achievement, will be rewarded. Such measurable objectives may include, but are not limited to, expanding or improving the Company’s overall business performance, securing additional sources of capital, completing joint venture transactions, and executing upon other shareholder value creating initiatives.

The Board believes that RSUs align the interests of Participants with the interests of Shareholders by creating a strong link between compensation and the long-term financial performance of the Company thereby enhancing Shareholder value. Rather than grant RSUs according to a prescribed formula or target, the Board will take into account the individual’s position, scope of responsibility, the individual’s historic and recent performance, and the value of the proposed RSU grant in relation to other elements of the Participant’s total compensation.

The Exchange has conditionally accepted the adoption of the RSU Plan, subject to *disinterested* shareholder approval. The following summary of the RSU Plan is qualified in its entirety by the full text of the RSU Plan.

Administration of the RSU Plan

The Board (or a committee of the Board if so authorized by the Board) will administer the RSU Plan. Among other things, the Board will have the authority to: (a) to grant RSUs to Eligible Persons, and (b) determine the terms, including the limitations, restrictions, vesting period, Performance Criteria, and conditions, if any, upon such grants. In addition, the Board will have the discretion to determine which Eligible Persons will participate in the RSU Plan.

Number of Common Shares Available for Issuance

The RSU Plan provides that a maximum of 8,958,922 Common Shares (being 10% of the issued and outstanding Common Shares as of the Record Date) will be reserved for issuance upon the vesting of RSUs granted under the RSU Plan, subject to certain adjustments if there are changes in the capital structure of the Company.

Vesting

Unless otherwise provided by the Board, RSUs granted to Participants shall vest on the earlier of (a) the date on which the Performance Criteria are achieved, if applicable, or (b) the third (3rd) anniversary of the Date of Grant, provided the Participant is continuously employed by or in service with the Company, or any of its Affiliates, from the Date of Grant until such Vesting Date.

Approval of the RSU Plan

The Board and management are recommending that the Shareholders vote FOR the approval of the RSU Plan. In order to approve the RSU Plan the following ordinary resolutions must be approved by a majority of the votes cast by *disinterested* Shareholders present in person or represented by proxy at the Meeting. This means that insiders of the Company and their associates entitled to receive a benefit under the RSU Plan are not eligible to vote their securities in respect of resolutions concerning the approval of the RSU Plan. As such, the Board and management of the Company as well as their associates (representing in aggregate 57,941,593 Common Shares) will not be eligible to vote on the resolution for the RSU Plan.

The complete text of the resolution which management intends to place before the Meeting for approval, with or without modification, is as follows:

“IT IS HEREBY RESOLVED, THAT:

- (1) the RSU Plan, in the form as set forth in Schedule “B” to the Information Circular, be and is hereby ratified, confirmed and approved;
- (2) the Board (or a committee of the Board if so authorized by the Board) is hereby authorized to grant RSUs pursuant to the RSU Plan to those eligible to receive RSUs thereunder, at its discretion;
- (3) the reservation for issuance of a maximum of 8,958,922 Common Shares under the RSU Plan is hereby authorized and approved;
- (4) the Company is hereby authorized and directed to issue such Common Shares in accordance with the RSU Plan; and
- (5) any director or officer of the Company is hereby authorized for, on behalf of, and in the name of the Company to do and perform or cause to be done or performed all such things, to take or cause to be taken all such actions, to execute and deliver or cause to be executed and delivered all such agreements, documents and instruments, contemplated by, necessary or desirable in connection with the RSU Plan and the foregoing resolutions, as may be required from time to time and contemplated and required in connection therewith, or as such director or officer in his or her discretion may consider necessary, advisable or appropriate in order to give effect to the intent and purposes of the foregoing resolutions, and the doing of such things, the taking of such actions and the execution of such agreements, documents and instruments shall be conclusive evidence that the same have been authorized and approved hereby.”

COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT (EXCEPT THOSE PROXIES REPRESENTING SHARES BENEFICIALLY OWNED BY INTERESTED PARTIES) WILL BE VOTED IN FAVOUR OF THE RESOLUTION TO ADOPT THE RSU PLAN IN THE ABSENCE OF DIRECTION TO THE CONTRARY FROM THE SHAREHOLDER APPOINTING THEM.

8. Other Business

While there is no other business other than outlined above to be presented to the shareholders at the Meeting, it is intended the proxies hereby solicited will be exercised upon any other matters and proposals which may properly come before the Meeting, or any adjournment or adjournments thereof, in accordance with the discretion of the persons authorized to act thereunder.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Company’s compensation policies are based on the principles that compensation should, to a significant extent, be reflective of the financial performance of the Company, and that a significant portion of executive officers’ and directors’ compensation should provide long-term incentives. The Board and compensation committee of the Board (the “**Compensation Committee**”) seeks to have compensation of the Company’s directors and executive officers set at levels that are sufficiently competitive so that the Company may attract, retain and motivate highly qualified directors and executive officers to contribute to the Company’s success. In assessing the overall compensation for directors and executive officers, the Board and Compensation Committee considers the Company’s performance, relative stockholder return and industry position, general industry data, and awards given to the Company’s executive officers in past years. It is the general compensation philosophy of the Company to provide a blend of base salaries/consulting fees, incentive bonuses and equity-based compensation.

Elements of Compensation

Base Salary/Consulting Fees

Each Named Executive Officer (as defined below) receives a fee, which constitutes a significant portion of the Named Executive Officer’s compensation package. Consulting fees are paid for discharging day-to-day duties and responsibilities and reflects the Named Executive Officer’s performance over time, as well as that individual’s particular experience and qualifications. A Named Executive Officer’s fee is reviewed by the Compensation Committee from time to time.

Incentive Bonus

Incentive bonuses, in the form of cash payments, are designed to add a variable component of compensation based on corporate and individual performances for each officer and employee. Both individual and corporate performances are also taken into account. No bonuses were paid to the Named Executive Officer during the most recently completed financial year.

Equity-Based Compensation

The Company's directors, officers, employees and consultants are eligible under the Stock Option Plan to receive grants of stock options. The Stock Option Plan is an important part of the Company's long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over a stated period of time. The Stock Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value.

The Board believes that the Stock Option Plan aligns the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Common Shares.

Compensation Risk

The Board has not formally considered the implications of risks associated with the Company's compensation policies and practices as, in their view, the current structure of the Company's executive compensation arrangements is focussed on long-term value and is designed to correlate to the long-term performance of the Company, which includes but is not limited to performance of its share price.

Financial Instruments

Except as may be prohibited by law, the Named Executive Officers and directors are not currently prohibited from purchasing financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by a Named Executive Officer or director. To the Company's knowledge, no executive officer or director of the Company has entered into or purchased such a financial instrument. The Company's Insider Trading Policy stipulates that insiders of the Company are prohibited from short-selling the securities of the Company for the purpose of realizing the short-term profits.

Share-based and option-based Awards

As discussed above, the Stock Option Plan is maintained for the directors, officers, consultants and employees of the Company and any present and future subsidiary of the Company. The CEO will make initial recommendations to the Compensation Committee on the setting of option grants, taking into account the seniority and contribution of the individuals eligible for the grants and the number of previously granted stock options. The Compensation Committee will then recommend to the Board for approval all incentive compensation for the executives of the Company, based on both individual and Company performance in any given year, and will take into consideration the levels of compensation paid to persons in the same or similar management positions at comparable companies, in making such recommendations.

Option-based Awards

Pursuant to the Stock Option Plan, an option exercise price cannot be less than the closing price of the Common Shares on the Exchange on the last trading day preceding the option grant. The purchase price for the Common Shares under each option shall be determined by the Compensation Committee. The maximum term is ten (10) years. There are no specific vesting provisions under the Stock Option Plan. Options are non-assignable and non-transferable other than by will or by the laws of descent and distribution. As at the date hereof, there are 5,173,527 stock options outstanding under the Stock Option Plan, which represents approximately 58% of the Common Shares reserved for issuance under the Stock Option Plan. Please see "Particulars of Matters to be Acted Upon – Approval of the Stock Option Plan" below, for a summary of the Stock Option Plan.

Compensation Governance

In order to assist the Board in fulfilling its oversight responsibilities with respect to compensation matters, the Board has established the Compensation Committee. The Compensation Committee is composed of Messrs. Doron, and Lanthier, all of

whom are independent as such term is defined in National Instrument 58-101, *Disclosure of Corporate Governance Practices* (“NI 58-101”).

The Compensation Committee meets at least once a year to, amongst other things, review and approve the Company’s goals and objectives relating to the compensation of the Company’s executive officers, evaluate the performance of the Company’s executive officers in light of such goals and objectives, and set the compensation level, perquisites and other benefits of the Company’s executive officers. The Compensation Committee is given the authority to engage and compensate any outside advisor that it determines to be necessary to carry out its duties.

As a whole, the members of the Compensation Committee have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Compensation Committee in making informed decisions on the suitability of the Company’s compensation policies and practices. Each of the members of the Compensation Committee has experience on the board of directors and related committees of other public companies.

Neither the Board nor the Compensation Committee has, at any time since the Company’s most recently completed fiscal year, retained a compensation consultant or advisor to assist the Board or the Compensation Committee in determining the compensation for any of the Company’s executive officers’ or directors’ compensation.

- (a) Subject to Section 15 below, the securities that may be acquired by Participants upon the exercise of Options shall be deemed to be fully authorized and issued Shares of the Corporation. (any such person having been selected for participation in this Plan by the Board is herein referred to as a **"Participant"**).
- (b) The Board may from time to time, in its discretion, grant an Option to any Participant, upon such terms, conditions and limitations as the Board may determine, including the terms, conditions and limitations set forth herein, provided that Options granted to any Participant shall be approved by the shareholders of the Corporation if the rules of any stock exchange on which the Shares are listed require such approval.
- (c) The Corporation represents that, for any Options granted to an officer, employee or consultant of the Corporation, such Participant is a bona fide officer, employee or consultant of the Corporation.

7. EXERCISE PRICE

The Board shall, at the time an Option is granted under this Plan, fix the exercise price at which Shares may be acquired upon the exercise of such Option provided that such exercise price shall not be less than that from time to time permitted under the rules of any stock exchange or exchanges on which the Shares are then listed. In addition, the exercise price of an Option must be paid in cash. Disinterested shareholder approval shall be obtained by the Corporation prior to any reduction to the exercise price if the affected Participant is an insider (as defined in the *Securities Act* (Ontario)) of the Corporation at the time of the proposed amendment.

8. NUMBER OF OPTIONED SHARES

The number of Shares that may be acquired under an Option granted to a Participant shall be determined by the Board as at the time the Option is granted, provided that the aggregate number of Shares reserved for issuance to any one Participant under this Plan or any other plan of the Corporation, shall not exceed five percent of the total number of issued and outstanding Shares (calculated on a non-diluted basis) in any 12 month period unless the Corporation obtains disinterested shareholder approval as required by the policies of the TSXV and provided further that the number of Options granted to any one consultant in a 12 month period shall not exceed 2% of the total number of issued and outstanding Shares and the aggregate number of Options granted to persons employed to provide investor relations activities shall not exceed 2% of the total number of issued and outstanding Shares in any 12-month period. Furthermore, the Corporation shall obtain disinterested shareholder approval if the aggregate number of Shares reserved for issuance under Options granted to all Insiders, calculated as a group, at any point in time exceeds 10% of the issued and outstanding Shares.

9. TERM

The period during which an Option may be exercised (the “**Option Period**”) shall be determined by the Board at the time that the Option is granted, subject to any vesting limitations which may be imposed by the Board in its sole unfettered discretion at the time that such Option is granted and Sections 11, 12 and 16 below, provided that:

- (a) no Option shall be exercisable for a period exceeding five (5) years from the date that the Option is granted unless the Corporation receives the permission of the stock exchange or exchanges on which the Shares are then listed and as specifically provided by the Board and as permitted under the rules of any stock exchange or exchanges on which the Shares are then listed, and in any event, no Option shall be exercisable for a period exceeding ten (10) years from the date the Option is granted;
- (b) no Option in respect of which shareholder approval is required under the rules of any stock exchange or exchanges on which the Shares are then listed shall be exercisable until such time as the Option has been approved by the shareholders of the Corporation;
- (c) the Board may, subject to the receipt of any necessary regulatory approvals, in its sole discretion, accelerate the time at which any Option may be exercised, in whole or in part; and
- (d) any Options granted prior to the completion of a Qualifying Transaction (as such term is defined in the rules of the TSX Venture Exchange) to any Participant that does not continue as a director, officer, consultant or employee (as the case may be) after the completion of a Qualifying Transaction have a maximum term of the later of 12 months after the completion of a Qualifying Transaction and 90 days after the Participant ceases to be a director, officer, consultant or employee following the Qualifying Transaction; and
- (e) any Options granted after completion of a Qualifying Transaction to any participant must expire within 90 days after the Participant ceases to be a Participant, and within 30 days for any Participant engaged in investor relation activities after such Participant ceases to be employed to provide investor relation activities.

10. METHOD OF EXERCISE OF OPTION

- (a) Except as set forth in Sections 11 and 12 below or as otherwise determined by the Board, no Option may be exercised unless the holder of such Option is, at the time the Option is exercised, a director, officer, employee or consultant of the Corporation.
- (b) Options that are otherwise exercisable in accordance with the terms thereof may be exercised in whole or in part from time to time.
- (c) Any Participant (or his legal, personal representative) wishing to exercise an Option shall deliver to the Corporation, at its principal office in the City of Toronto, Ontario:
 - (i) a written notice expressing the intention of such Participant (or his legal, personal representative) to exercise his Option and specifying the number of Shares in respect of which the Option is exercised; and
 - (ii) a cash payment, certified cheque or bank draft, representing the full purchase price of the Shares in respect of which the Option is exercised.
- (d) Upon the exercise of an Option as aforesaid, the Corporation shall use reasonable efforts to forthwith deliver, or cause the registrar and transfer agent of the Shares to deliver, to the relevant Participant (or his legal, personal representative) or to the order thereof, a certificate representing the aggregate number of fully paid and non-assessable Shares in respect of which the Option has been duly exercised.

11. CEASING TO BE A DIRECTOR, OFFICER, EMPLOYEE OR CONSULTANT

If any Participant shall cease to hold the position or positions of director, officer, consultant or employee of the Corporation (as the case may be) for any reason other than death or as set out in Sections 9(d) and 9(e), his Option will terminate at 4:00

p.m. (Toronto time) on the earlier of the date of the expiration of the Option Period and 90 days after the date such Participant ceases to hold the position or positions of director, officer, employee or consultant of the Corporation as the case may be, and ceases to actively perform services for the Corporation. An Option granted to a Participant who performs investor relations services on behalf of the Corporation shall terminate on the date of termination of the employment or cessation of services being provided and shall be subject to Exchange policies and procedures for the termination of Options for investor relations services. For greater certainty, the termination of any Options held by the Participant, and the period during which the Participant may exercise any Options, shall be without regard to any notice period arising from the Participant's ceasing to hold the position or positions of director, officer, employee or consultant of the Corporation (as the case may be).

Neither the selection of any person as a Participant nor the granting of an Option to any Participant under this Plan shall: (i) confer upon such Participant any right to continue as a director, officer, employee or consultant of the Corporation, as the case may be; or (ii) be construed as a guarantee that the Participant will continue as a director, officer, employee or consultant of the Corporation, as the case may be.

12. DEATH OF A PARTICIPANT

In the event of the death of a Participant, any Option previously granted to him shall be exercisable until the end of the Option Period or until the expiration of 12 months after the date of death of such Participant, whichever is earlier, and then, in the event of death, only:

14. PROCEEDS FROM EXERCISE OF OPTIONS

The proceeds from any sale of Shares issued upon the exercise of Options shall be added to the general funds of the Corporation and shall thereafter be used from time to time for such corporate purposes as the Board may determine and direct.

15. ADJUSTMENTS

- (a) The number of Shares subject to the Plan shall be increased or decreased proportionately in the event of the subdivision or consolidation of the outstanding Shares of the Corporation, and in any such event a corresponding adjustment shall be made to the number of Shares deliverable upon the exercise of any Option granted prior to such event without any change in the total price applicable to the unexercised portion of the Option, but with a corresponding adjustment in the price for each Share that may be acquired upon the exercise of the Option. In case the Corporation is reorganized or merged or consolidated or amalgamated with another corporation, appropriate provisions shall be made for the continuance of the Options outstanding under this Plan and to prevent any dilution or enlargement of the same.
- (b) Adjustments under this Section 15 shall be made by the Board, whose determination as to what adjustments shall be made, and the extent thereof, shall be final, binding and conclusive. No fractional Shares shall be issued upon the exercise of an Option following the making of any such adjustment.

16. CHANGE OF CONTROL

Notwithstanding the provisions of section 11 or any vesting restrictions otherwise applicable to the relevant Options, in the event of a sale by the Corporation of all or substantially all of its assets or in the event of a change of control of the Corporation, each Participant shall be entitled to exercise, in whole or in part, the Options granted to such Participant hereunder, either during the term of the Option or within 90 days after the date of the sale or change of control, whichever first occurs.

For the purpose of this Plan, "change of control of the Corporation" means and shall be deemed to have occurred upon:

- (c) the entering into of any agreement by the Corporation to merge, consolidate, amalgamate, initiate an arrangement or be absorbed by or into another corporation; or
- (d) the passing of a resolution by the Board or shareholders of the Corporation to substantially liquidate the assets or wind-up the Corporation's business or significantly rearrange its affairs in one or more transactions or series of transactions or the commencement of proceedings for such a liquidation, winding up or re-arrangement (except where such re-arrangement is part of a bona fide reorganization of the Corporation in circumstances where the business of the Corporation is continued and where the shareholdings remain substantially the same following the rearrangement); or
- (e) individuals who were members of the Board of the Corporation immediately prior to a meeting of the shareholders of the Corporation involving a contest for or an item of business relating to the election of directors, not constituting a majority of the Board following such election.

17. TRANSFERABILITY

All benefits, rights and Options accruing to any Participant in accordance with the terms and conditions of this Plan shall be non-transferable and non-assignable unless specifically provided herein. During the lifetime of a Participant, any Options granted hereunder may only be exercised by the Participant and in the event of the death of a Participant, by the person or persons to whom the Participant's rights under the Option pass by the Participant's will or applicable law.

18. AMENDMENT AND TERMINATION OF PLAN

The Board may, at any time, suspend or terminate this Plan. The Board may also, at any time, amend or revise the terms of this Plan, subject to the receipt of all necessary regulatory approvals, provided that no such amendment or revision shall alter the terms of any Options theretofore granted under this Plan.

19. NECESSARY APPROVALS

The obligation of the Corporation to issue and deliver Shares in accordance with this Plan and Options granted hereunder is subject to applicable securities legislation and to the receipt of any approvals that may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation. If Shares cannot be issued to a Participant upon the exercise of an Option for any reason whatsoever, the obligation of the Corporation to issue such Shares shall terminate and any funds paid to the Corporation in connection with the exercise of such Option will be returned to the relevant Participant as soon as practicable.

20. STOCK EXCHANGE RULES

This Plan and any option agreements entered into hereunder shall comply with the requirements from time to time of the stock exchange or exchanges on which the Shares are listed.

21. RIGHT TO ISSUE OTHER SHARES

The Plan is established for Eligible Persons, effective on the date that the Plan has been adopted by the Board (the "**Effective Date**") provided, however, that no cash and/or Shares underlying a vested RSU shall be issued by the Company to a Participant in accordance with the Plan prior to the Plan having received the necessary regulatory and Shareholder approvals.

Section 2.4 Tax Withholdings and Deductions

Notwithstanding any other provision contained herein, the Company or the relevant Affiliate, as applicable, shall be entitled to withhold from any amount payable to a Participant, either under this Plan or otherwise, such amounts as may be necessary so as to ensure that the Company or the relevant Affiliate is in compliance with the applicable provisions of any federal, provincial or local law relating to the withholding of tax or other required deductions relating to the settlement of any Restricted Share Units (the "**Source Deductions**"). The Company or the relevant Affiliate, as applicable, shall have the right in its discretion to satisfy any such Source Deductions by retaining or acquiring any Shares which would otherwise be issued or provided to a Participant hereunder, or withholding any portion of any cash amount payable to a Participant hereunder. The Company or the relevant Affiliate, as applicable, shall also have the right to withhold the delivery of any RSUs and RSU Shares and any cash payment payable to a Participant hereunder unless and until such Participant pays to the Company or the relevant Affiliate, as applicable, a sum sufficient to indemnify the Company or the relevant Affiliate, as applicable, for any liability to withhold tax in respect of the amounts included in the income of such Participant as a result of the settlement of RSUs under this Plan, to

the extent that such tax is not otherwise being withheld from payments to such Participant by the Company or the relevant Affiliate, as applicable.,

Section 2.5 Non-Transferability

No Transfer of Restricted Share Units, whether voluntary, involuntary, by operation of law or otherwise (other than upon the death of the Participant), vests any interest or right in such Restricted Share Units whatsoever in any assignee or transferee.

Section 2.6 Participation in this Plan

- (1) A Restricted Share Unit granted hereunder shall not be deemed to give any Participant any interest or title or any rights as a Shareholder or any other legal or equitable right against the Company, or any of its Affiliates whatsoever, including without limitation, the right to vote as a Shareholder and the right to participate in any new issue of Shares to existing holders of Shares.
- (2) Participants (and their legal personal representatives) shall have no legal or equitable rights, claims, or interest in any specific property or assets of the Company or any Affiliate by virtue of being granted an RSU. No assets of the Company or any Affiliate shall be held in any way as collateral security for the fulfillment of the obligations of the Company or any Affiliate under this Plan. The Company's or any Affiliate's obligation under this Plan shall be merely that of an unfunded and unsecured promise of the Company or such Affiliate to issue Shares or pay money in the future, as applicable, and the rights of Participants (and their legal personal representatives) shall be no greater than those of unsecured general creditors.
- (3) The Plan shall not give any Eligible Person the right or obligation to or to continue to serve as a Consultant, director, officer or employee, as the case may be, to or of the Company or any of its Affiliates. Furthermore, no grant of a Restricted Share Unit shall be made until the Board has received satisfactory evidence confirming that the Eligible Person is a bona fide Eligible Person at the time of the grant.
- (4) The Company makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting the Participant resulting from the grant or settlement of a Restricted Share Unit or transactions in the Shares. With respect to any fluctuations in the market value of Shares, neither the Company, nor any of its directors, officers, employees, shareholders or agents shall be liable for anything done or omitted to be done by such person or any other person with respect to the price, time, quantity or other conditions and circumstances of the issuance of Shares hereunder, or in any other manner related to the Plan. For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Restricted Share Units will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

Section 2.7 Notice

Any notice required to be given by this Plan shall be in writing and shall be given by registered mail, postage prepaid, or delivered by courier, by facsimile transmission or by electronic mail addressed, if to the Company, to the office of the Company in Toronto, Ontario, Attention: Corporate Secretary; or if to a Participant, to such Participant at his or her address as it appears on the books of the Company or in the event of the address of any such Participant not so appearing, then to the last known address of such Participant; or if to any other person, to the last known address of such person.

Section 2.8 Governing Law

The Plan shall be governed by the laws of Ontario and the federal laws of Canada applicable therein.

ARTICLE 3 – RESTRICTED SHARE UNITS

Section 3.1 Grant

- (1) Subject to the provisions of this Plan, the Board may grant Restricted Share Units to any Eligible Person upon the terms, conditions and limitations set forth herein and such other terms, conditions and limitations permitted by and not inconsistent with this Plan as the Board may determine.
- (2) The grant of a Restricted Share Unit shall be evidenced by a Grant Certificate, signed on behalf of the Company.

- (3) The Company shall maintain a notional account for each Participant, in which shall be recorded the number of vested and unvested Restricted Share Units granted or credited to such Participant.
- (4) The grant of a Restricted Share Unit to a Participant, or the settlement of a Restricted Share Unit, under the Plan shall neither entitle such Participant to receive nor preclude such Participant from receiving subsequently granted Restricted Share Units.

Section 3.2 Grant Limitations

- (1) Notwithstanding anything to the contrary herein, grants of Restricted Share Units shall be subject to the following limitations:
 - (a) the aggregate number of Restricted Share Units granted to any one Eligible Person (and companies wholly owned by that Eligible Person) in a 12-month period must not exceed 5% of the Shares, calculated on the date a Restricted Share Unit is granted to the Eligible Person (unless the Company has obtained the requisite disinterested Shareholder approval);
 - (b) the aggregate number of Restricted Share Units granted to any one Consultant in a 12-month period must not exceed 2% of the Shares of the Company, calculated at the date a Restricted Share Unit is granted to the Consultant; and
 - (c) persons involved in Investor Relations Activities are not eligible to receive Restricted Share Units.

Section 3.3 Dividend Equivalents

Each Participant's notional account shall, from time to time, be credited with additional Restricted Share Units (including fractional Restricted Share Units), the number of which shall be determined by dividing:

- (1) the product obtained by multiplying the amount of each dividend declared and paid by the Company on the Shares on a per share basis (excluding stock dividends, but including dividends which may be paid in cash or in shares at the option of the shareholder) by the number of Restricted Share Units recorded in the Participant's notional account (whether vested or unvested) on the record date for payment of any such dividend,

by

- (2) the Fair Market Value of a Share on the dividend payment date for such dividend,

provided however that the Board shall not be obligated to issue fractional RSUs, and further provided that in the event of the issuance of additional Restricted Share Units, as a dividend in kind, the amount of Restricted Share Units available for grant shall be reduced by a corresponding amount.

Section 3.4 Capital Adjustment

- (a) The existence of this Plan and any RSU granted hereunder shall not affect in any way the right and power of the Company or its shareholders to make, authorize or determine any adjustment, recapitalization, reorganization, or any other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company, to create or issue any bonds, debentures, Shares or other securities of the Company or to determine the rights and conditions attaching thereto, to effect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or to effect any other corporate act or proceeding, whether of a similar character or otherwise, whether or not any such action referred to in this Subsection 3.3(a) would have an adverse effect on this Plan or any RSU granted hereunder.
- (b) If there is any change in the outstanding Shares by reason of a split, recapitalization, consolidation, combination or exchange of shares or other similar corporate change, other than a Change of Control Event, subject to any prior approval required of applicable regulatory authorities, the Board may make appropriate substitution or adjustment in:
 - (i) the number of RSUs reserved for issuance pursuant to the Plan; and
 - (ii) the number of unvested RSUs theretofore granted,

provided, however, that no substitution or adjustment will obligate the Company to issue fractional RSUs. The determination of the Board as to any adjustment, or as to there being no need for adjustment, will be final and binding on all parties concerned.

Section 3.5 Vesting

Except as otherwise provided in a Participant's Grant Certificate or any other provision of this Plan all Restricted Share Units granted pursuant to 0 shall vest on the earlier of (i) the date of which the Performance Criteria is achieved, if applicable, or (ii) the third (3rd) anniversary of the Date of Grant provided the Participant is continuously employed by or in service with the Company, or any of its Affiliates, from the Date of Grant until such Vesting Date. All Restricted Share Units credited pursuant to 0 shall vest simultaneously with the Restricted Share Units to which they relate.

ARTICLE 4 – SETTLEMENT & EXPIRY

Section 4.1 Settlement of Restricted Share Units

- (1) Except as otherwise provided in a Participant's Grant Certificate or any other provision of this Plan:
 - (a) Settlement shall take the form of, to be decided in the sole discretion of the Board,
 - (i) the issuance of Shares, or the purchase of Shares for the benefit of the Participants on the open market or by private transaction, in an amount equal to the number of vested Restricted Share Units to be settled on that Vesting Date; provided however, that the Company shall not be required to issue and/or cause to be delivered Shares or issue and/or cause to be delivered certificates evidencing Shares to be delivered pursuant to this Plan unless and until such issuance and delivery is in compliance with all Applicable Law, or
 - (ii) a payment of cash to the Participant of an amount equal to the Fair Market Value of a Share on the Vesting Date, multiplied by the number of vested Restricted Share Units to be settled on that Vesting Date, the whole being subject to the terms of 0.
- (2) Following receipt of such Shares or payment, as applicable, the Restricted Share Units so settled shall be of no value whatsoever and shall be struck from the Participant's notional account.

Section 4.2 Termination

- (1) Unless otherwise provided in the Participant's Grant Certificate and regardless of any adverse or potentially adverse tax or other consequences resulting from the foregoing:
 - (a) if a Participant ceases to be an Eligible Person as a result of his or her termination with Cause or resignation without Good Reason, all unvested Restricted Share Units held by such Participant shall Expire on the Participant's Termination Date;
 - (b) if a Participant ceases to be an Eligible Person as a result of his or her Board approved retirement, any unvested Restricted Share Units held by such Participant shall continue to vest pro-rata according to the vesting schedule set out in Section 3.4 based on the number of completed months of active service or employment between the Date of Grant and the Vesting Date of such Restricted Share Units;
 - (c) if a Participant ceases to be an Eligible Person as a result of his or her Good Leaver Termination, any unvested Restricted Share Units held by such Participant shall vest pro-rata on the Participant's Termination Date based on the number of completed months of active service or employment between the Date of Grant and the Vesting Date of such Restricted Share Units; and
 - (d) if a Participant ceases to be an Eligible Person as a result of his or her death, any unvested Restricted Share Units held by such Participant shall vest on the Participant's Termination Date.

For avoidance of doubt, the Participant's Grant Certificate may permit the acceleration of the vesting of unvested Restricted Share Units upon Termination. Notwithstanding anything to the contrary contained herein, at no time shall any Restricted Share Units vest after a period which exceeds 12 months from the Eligible Person ceasing to be an Eligible Person (including for greater certainty in the case of death of an Eligible Person).

Section 4.3 Change of Control

Notwithstanding any other provision of this Plan, in the event of the occurrence of a Change of Control Event, with respect to all RSUs that are outstanding on the COC Date, (i) any and all requirements that any Performance Criteria, if any, be achieved for any purpose applicable to such Grants shall be waived as of the COC Date and (ii) each Participant who has received any RSU grants shall be entitled to receive, in full settlement of a RSU covered by a grant, a payment of cash equal to the Special Value (as defined below) for each RSU multiplied by the number of vested Restricted Share Units to be settled on that COC Date, the whole being subject to the terms of Section 2.4.

The term "**Special Value**" shall mean an amount with respect to each RSU determined as follows:

- (a) if any Shares are sold as part of the transaction constituting the Change of Control Event, the Special Value shall equal the weighted average of the price paid for those Shares by the acquirer, provided that if any portion of the consideration paid for such Shares by the acquirer is paid in property other than cash, the Board (as constituted immediately prior to the COC Date) shall determine the fair market value of such property as of the COC Date for purposes of determining the Special Value under this Section 4.3; and
- (b) if no Shares are sold as part of the transaction constituting the Change of Control Event, the Special Value shall equal the Fair Market Value.
